ORDER OF BUSINESS

2020-2021 Township Budget Workshop

Tim opened the workshop by reviewing the proposed 2020-2021 Budget document. There was discussion about a few line items and each department's total revenue and expenditures were reviewed. The notes pages have been expanded to include more detail. The items in red indicate any changes made from Tim's first draft. A few of the changes were due to updated State Revenue Sharing figures (reduced by \$140,000 from original projections) and the decision made by the board to keep the parks closed this season. Cindy stated she hoped the Chart of Accounts changes show the board a better break down of revenue and expenditures.

Tim gave an update on the Bristol Road repaving project.
