CALL TO ORDER

The special board meeting of the Davison Township Board of Trustees was called to order at 1:30 p.m. at the Davison Township Municipal Building, 1280 N. Irish Rd., Davison, MI 48423. The purpose of the meeting was to discuss the surface of the Splash Pad.

NEW BUSINESS

Discussion about Splash Pad surface

Karen began with the quote from Bennings Painting & Industrial Flooring at \$7,844 to shotblast and hand grind all trim work to remove all existing coating and profile concrete for non-skid surface and magnet broom clean up.

Randy explained how the work will be done and that this can be done in 2 days, possibly 1 and with our help he will give us a better price. This is only going to be a temporary fix for the slippery surface.

Cindy discussed the hairline cracks and what this process could do to those and Randy stated he would fix those if they become larger. And that this process has to be done regardless what the next step is.

Casey said that she would monitor how this does with accidents. If there is more head injuries she would close the Splash Pad down for another surface fix. That's the best that can be done.

MOTION BY K. MILLER, SUPPORT BY C. SHIELDS to approve the Bennings Painting & Industrial Flooring quote for the work to the Splash Pad surface as presented. Motion carried unanimously.

ADJOURNMENT

The meeting was adjourned at 1:53 p.m.
